

Xsensible®  
stretchwalker

HERBST WINTER 2023

Handmade in Portugal

In allen Schuhen ist unser patentiertes Stretchleder verarbeitet.

Stretchwalker ist eine revolutionäre Innovation, inspiriert von dem aus Japan stammenden Gleichgewichtsslipper aus Holz. Dieser sorgt für eine natürliche und gesunde Körperhaltung. Tradition und Technologie vereinen sich in vollkommener Harmonie. Das einzigartige Gleichgewichtskonzept der Sohle in Verbindung mit perfekter Dämpfung, maximaler Stabilität und ultimativer Haftung garantiert Ihnen eine optimale Lauferfahrung.

Der Xsensible Stretchwalker ist der ideale Schuh für verschiedene Aktivitäten. Und Stretchwalker ist auch die perfekte Wahl für Menschen, die Probleme beim Gehen, empfindliche Füße, Gelenkschmerzen in den Knien, in den Hüften und im unteren Rücken haben. Die Stretchwalker-Sohle fungiert als Stoßdämpfer.
