NL

Het is bijna zover, het verkoopseizoen gaat van start en voor u ligt de brochure waarin we met veel trots aan u de collectie presenteren voor Spring Summer 2018.

Onze collectie is tot stand gekomen vanuit een grote passie voor het maken van schoenen. Met veel toewijding hebben we voor 2018 ons best gedaan om voor u een speciale collectie te ontwikkelen. Zoals u weet zijn wij onderscheidend met onze unieke zool- en stretchleer technologie maar minstens zo belangrijk zijn onze vernieuwende ontwerpen. Mooi én in balans gaan hand in hand als u het ons vraagt.

Het Stretchwalker assortiment is zeer geliefd en dat merken we. Onze fanclub breidt zich uit. Van consumenten en van u als gewaardeerde relatie ontvangen wij dagelijks positieve berichten. Dat vleit ons en zorgt voor extra motivatie.

Neemt u de tijd voor onze collectie want deze is alles behalve gering. Minimalistisch of met print, gekleurd of veilig zwart, sportief of chique. Er is voor ieder wat wils en hebben dit met zorg voor u samengesteld. Laat u verrassen en inspireren.

Hartelijke groet,

Max Krol
Directeur Xsensible®
onderdeel van NIMCO Est. 1904

EN

The waiting is almost over, the new season is about to start and we proudly present you with our brochure for the 2018 Spring Summer collection.

Our collection has evolved from our great passion for making shoes. With considerable dedication, we have done our best to develop a special collection for you in 2018. As you know, we distinguish ourselves with our unique sole and stretch leather technology, which is at least as important as our innovative designs. In our opinion, beauty and balance go hand in hand.

The Stretchwalker range is very popular and this has come to our attention. Our fan club is expanding. We receive positive feedback on a daily basis both from consumers as well as from you, a valued business contact. This is flattering and increases our motivation.

Please take your time viewing our collection because it is quite large. Minimalist or printed, coloured or conservative black, sporty or chic. There is something for everyone and we have put our collection together for you with great care. Let yourself be surprised and inspired.

Sincerely,

Max Krol
Director Xsensible®
part of NIMCO Est. 1904

DE

Beinahe ist es so weit, die Verkaufssaison steht vor der Tür. Vor Ihnen liegt die Broschüre, mit der wir Ihnen voller Stolz die Kollektion für Frühling/Sommer 2018 präsentieren möchten.

Unsere Kollektion ist auf der Grundlage einer großen Leidenschaft zu Stande gekommen, die wir für die Herstellung von Schuhen hegen. Wir haben für 2018 mit großer Hingabe alles dafür getan, ein spezielles Kollektionsangebot für Sie zu entwickeln. Wie Sie wissen, unterscheiden wir uns mit einer einzigartigen Sohlen- und Stretchleder-Technologie, mindestens genauso wichtig sind uns jedoch die neuen Designs. Schönheit und Ausgewogenheit gehen nach unserem Empfinden dabei Hand in Hand.

Das Stretchwalker-Sortiment ist äußerst beliebt, und das bemerken wir auch, denn unser Fanclub wird immer größer. Wir erhalten von den Konsumenten und von Ihnen als geschätzter Geschäftspartner täglich positive Reaktionen. Das schmeichelt uns und verleiht uns zusätzliche Motivation.

Nehmen Sie sich also etwas Zeit für unsere Kollektion, denn sie hat eine Menge zu bieten. Ob minimalistisch oder mit Aufdruck, farbig oder in sicherem Schwarz, sportlich oder schick. Sie hält für jeden etwas nach seinem Geschmack bereit und wurde von uns mit Sorgfalt zusammengestellt. Lassen Sie sich überraschen und inspirieren.

Mit freundlichen Grüßen,

Max Krol
Geschäftsführer Xsensible®
Ein Unternehmen der NIMCO Est. 1904

FR

Nous y sommes presque, la campagne de commercialisation commence et vous avez devant vous la brochure dans laquelle nous vous présentons avec beaucoup de fierté la collection Printemps-Été 2018.

Nous avons élaboré notre collection à partir de notre passion pour la confection de chaussures. Nous nous sommes appliqués à composer pour vous une collection spéciale pour 2018. Comme vous le savez, nous nous démarquons par notre technologie unique en matière de semelle de marche et de cuir extensible, mais aussi - et c'est au moins aussi important - par nos modèles novateurs. Beauté et équilibre vont de pair, si nous osons nous exprimer ainsi.

L'assortiment Stretchwalker est très apprécié et nous le remarquons bien. Notre fan club s'agrandit. Nous recevons tous les jours des messages positifs de consommateurs et de relations d'affaires appréciées, telles que vous. Cela nous flatte énormément et nous motive.

Prenez le temps de découvrir notre collection car elle est tout sauf limitée. Minimaliste ou imprimée, colorée ou noire pour jouer la sécurité, sportive ou chic. Il y en a pour tous les goûts et nous l'avons composée avec le plus grand soin. Laissez-vous surprendre et inspirer.

Cordialement,

Max Krol
Directeur Xsensible®
une entreprise de Nimco Est. 1904

In alle schoenen zit ons
gepatenteerde stretchleer.

All our shoes are featured
with patented stretch leather.

In allen Schuhen ist unsere
patentierter Stretchleder verarbeitet.

Tout les chaussures sont munies
de notre cuir stretch breveté.

Xsensible Inside® Stretchleer
Xsensible Inside® Stretch leather Technology
Xsensible Inside® Stretchleder Technologie
Xsensible Inside® Cuir Stretch Technologie

De Xsensible Stretchwalker® is de ideale schoen voor
verschillende activiteiten. Voor mensen die problemen
ondervinden met lopen of gevoelige voeten, pijnlijke
gewrichten in de knieën, heupen en onderrug
hebben is Xsensible Stretchwalker® de oplossing.
De Stretchwalker® zool werkt als een schokbreker.

The Xsensible Stretchwalker is the ideal shoe for
various activities. For people who have problems walking
or sensitive feet or pain in the knee, hip or lower back,
Xsensible Stretchwalker® is the solution. The
Stretchwalker® sole works as a shock absorber.

Der Xsensible Stretchwalker® ist der ideale Schuh für
verschiedene Aktivitäten. Der Xsensible Stretchwalker® ist
auch die perfekte Wahl für Menschen, die Probleme beim
Gehen, empfindliche Füße, Gelenkschmerzen in den Knien,
in den Hüften und im unteren Rücken haben. Die
Stretchwalker®-Sohle fungiert als Stoßdämpfer.

Le Xsensible Stretchwalker® est la chaussure idéale pour
diverses activités. Pour les personnes qui éprouvent des
problèmes avec la marche ou les pieds sensibles, douleurs
des articulations dans les genoux, les hanches et les bas du
dos, le Xsensible Stretchwalker® offre la solution. Le semelle
Stretchwalker® agit comme un amortisseur.
